RHEEMA

SIX COMPARTMENTS. ONE ORGANISED STATION.

RHEEMA 6 Grid Rotating Food Dispenser

Organised dry-food storage for modern Indian kitchens.

Organized
Today.
Peace of Mind
Everyday.

ONE DISPENSER, SIX ORGANISED COMPARTMENTS

Bring daily dry-food storage into one easy routine.

The RHEEMA 6 Grid Rotating Food Dispenser keeps frequently used grains, pulses and cereals separated in one compact unit.

Rotate to the compartment you need, press the button and collect the dry food in the drawer.

> Less packet clutter. Faster access. One organised storage point.

Designed for everyday dry foods

Use the six separate compartments for rice, dal, beans, cereals and other clean, dry staples.

KITCHEN ORGANISATION

6 Grid Rotating Food Dispenser

RHEEMA

Store rice, beans, lentils, cereals and other dry foods in six separate compartments within one compact dispenser.

Six compartments

Keep frequently used dry foods separated in one unit.

360° rotation

Turn the dispenser to bring the required compartment forward.

One-touch dispensing

Press the button and collect the selected dry food in the drawer.

Transparent body

See contents and check levels without opening every section.

Food-grade, BPA-free

Made for storing everyday dry-food essentials.

Covered storage

Designed to help protect contents from moisture and dust.

Dimensions
26 × 25.5 × 25.5 cm

Suitable for
Rice, dal, beans, cereals & dry foods

Format
Rotating storage with dispensing drawer

FROM LOOSE PACKETS TO ONE ORGANISED STATION

Fill. Rotate. Press. Collect.

1 Fill
Open the top lid and add a different dry food to each compartment.

2 Select
Rotate the unit until the required compartment reaches the outlet.

3 Dispense
Press the button and collect the required quantity in the drawer.

Good everyday fit

- Kitchen counters and pantry shelves
- Frequently used grains, pulses and cereals
- Households wanting one consolidated storage point

Simple care

- Keep the product dry before refilling
- Use only for clean, dry food items
- Wipe the body and drawer regularly
